

SHIRE Community Grants 2022-23

SHIRE Community Grants 2022-23

SHIRE Community Grants are a key feature of Leicestershire Council's support to the voluntary, community and social enterprise (VCSE) sector.

We are interested in funding services, projects and activities that will:

- ▶ improve the lives, health and wellbeing of vulnerable or disadvantaged people and communities in Leicestershire
- ▶ provide community-based early intervention and prevention solutions which help to reduce demand on Council and other public services
- ▶ complement existing services already being delivered

SHIRE Community Grants 2022-23

Eligible Organisations:

- Registered charities
- Community groups/organisations with a constitution and board of trustees / committee
- Social Enterprises / CICs
- Faith-based organisations/places of worship (but not for costs related to the promotion of religion/general worship)
- Parish Councils / Town Councils

SHIRE Community Grants 2022-23

Eligible organisations can apply for a small grant (max £3,000) or a large grant (max £10,000) in 2022-23, for community based projects and activities that are specifically focused on supporting vulnerable and disadvantaged people and communities who live in Leicestershire.

Your application for funding can include costs related to all or any of the following:

- ▶ Project delivery costs
- ▶ Staffing costs (including volunteer expenses)
- ▶ Venue/room hire
- ▶ Core organisational running costs
- ▶ Capital expenditure, i.e. for items of capital equipment
- ▶ Any other eligible costs related to delivering activities which meet the grant criteria

SHIRE Community Grants 2022-23

Beneficiaries / Client Groups who can be supported through SHIRE Grant Funding:

- Vulnerable and disadvantaged young people (e.g. those who are at risk of crime/offending, NEET, or experience other challenges/issues)
- Frail Older People
- People with physical disabilities and/or other long terms health conditions
- People with learning disabilities or other special educational needs
- People with mental health conditions
- People with caring responsibilities
- People experiencing financial hardship due to socio-economic or welfare status
- People experiencing homelessness or other adverse housing related issues
- Residents of communities in areas of multiple deprivation/poverty
- People with refugee or asylum seeker status
- People who are socially isolated, including those who are disadvantaged due to rural isolation and a lack of access to services

SHIRE Community Grants 2022-23

What we cannot fund:

- ▶ General upgrades to community buildings (e.g. village halls, church buildings, community centres) unless the upgrades are focussed specifically on providing services for vulnerable/disadvantaged individuals or groups
- ▶ New roofs, resurfacing of parking areas; new disabled toilets (or other disabled access improvements); general maintenance and/or repairs of equipment
- ▶ Sports activities or equipment for the general community (i.e. sports activities which are not specifically targeted for vulnerable/disadvantaged groups)
- ▶ General running costs for community radio stations
- ▶ Costs for any activities which have already taken place (i.e. we cannot offer retrospective funding for costs already incurred), or one-off events (e.g. Christmas Fayres, lunches or a day trip/activity)
- ▶ Whilst faith-based organisations can apply for funding, we are unable to award grants for the purposes of delivering organised religious activities, including prayer and worship, or for any costs associated with the promotion of religion

SHIRE Community Grants 2022-23

Focus on Outcomes:

- One of the key things we will be looking for in your application is details around the outcomes/impacts of your project
- In the application form, you will be asked to clearly explain the difference your project will make to participants, e.g. improved health and wellbeing, increased confidence and independence, access to employment or education, etc.
- You will also need to think about how these outcomes will ultimately help to reduce demand on Council and other public services

SHIRE Community Grants 2022-23

Examples of outcomes which are expected to be achieved with SHIRE Grant funding

- Improved health, wellbeing and quality of life for vulnerable and disadvantaged people
- Vulnerable and disadvantaged people are safer, less isolated, confident and independent
- Disadvantaged groups have access to appropriate information/services and are empowered to participate fully in society
- Reduced inequality, and increased opportunities for vulnerable/disadvantaged people and communities to develop positive lifestyle choices,
- Less reliance on Council and other public services, particularly high-cost health and social care services
- Individuals who are NEET, including disadvantaged young people, have improved opportunities to access education, training and employment
- Reduction in crime, offending and anti-social behaviour in communities
- Communities/community organisations take responsibility for identifying solutions to local issues
- Stronger voluntary, community and social enterprise sector

SHIRE Community Grants 2022-23

Below are some examples of Outcomes:

- 1. A project which provides support to older people with dementia, to help them live safely and independently in their own homes/communities and reduce or delay the need for residential or nursing care*
- 2. A project which supports people with mental health problems, helping them to manage their mental health and wellbeing more effectively, thus reducing the need for hospitalisation or frequent visits to the GP*
- 3. A project which works with young people who are involved in anti-social behaviour and are at risk of being excluded from school. The project provides positive opportunities and development of skills which will prevent the young people from getting involved in crime and more likely to continue with their education or help them to find training or employment.*

SHIRE Community Grants 2022-23

Application Process:

- Contact the Grant Officers to discuss your project proposal
- If eligible, you will be asked to complete the online application form (there is a Word document available to download to help you draft your application)
- Grants Officers will assess your application against the key criteria and a recommendation will be made (i.e. award funding in full; award a contribution or reject the application)
- Applications will then be discussed at a Grant Decision Meeting with the Head of Service and Lead Cabinet Member for a final decision
- The final decision will be communicated to you a few days after the Decision Meeting, and you will receive a Grand Award Letter and associated paperwork within a week of the Decision. Grant payments will follow within the next few weeks.
- Evidence of how the funding was used will need to be submitted to the Grants Team within 12 months of the grant award being made
