EXHIBITION OPPORTUNITY "I'M CONCERNED ABOUT....."

WHAT IS IT IN THE WORLD, AND THE STATE OF OUR PLANET, THAT CONCERNS YOU AT PRESENT?

Global warming, deforestation, refugee, war, climate change, etc., etc. This is your chance to create a piece of art, on a 12" x 16" canvas, to be displayed in the gallery. (it is hoped this exhibition will tour to other venues too).

Following on from the success of our other open exhibitions, we are holding another exhibition with a difference - and this time it's all about our planet. What is it that you are concerned about? What subject is going to make a good painting? A sea of plastic, piles of rubbish left by fly tippers, the plight of refugees, war torn cities.....etc etc.

There are a few rules.... Each painting **MUST** be on a 16 x12 inch canvas (available with an entry form, or provide your own)

Paintings entered into the exhibition should be strung on the back, and have your contact details on the reverse. All work will be displayed in the Ten2 Gallery, 102 Castle Street, Hinckley, from Saturday 7th May - Saturday 2nd July.

Work may be collected after this date. Work does not have to be for sale, but can be if you wish to include a selling price (we take 35% commission on all sales) Cost to enter the exhibition is £5.00, or £15.00 for entry and a 12 x 16 canvas. Work should be delivered to The Art Studio and Ten2 Gallery, suitably protected (no responsibility will be taken for work that is damaged because of lack of protection), between 9.00a.m - 5.00p.m Monday 24th April until Saturday 30th April. The exhibition will open on Saturday 7th May, with a Private View and announcement of the winners on Friday 6th May 5.00 - 6.30p.m.
