## Rules and Regulations

This is a fun, free of charge event for all - therefore the rules and regulations have been kept deliberately short. The course will consist of a start line near Clarks, a number of marker posts going up Castle Street, and a finish line near the Britannia Centre.

**Rule 1:** When each contestant reaches a marker, he/she must stop and successfully toss and recover their pancake in their frying pan before carrying on. Should he/she drop their pancake, they must go back 1 marker post and start that section again. The first contestant in each race to reach the finishing line without dropping their pancake - and who in the judges opinion has tossed it properly each time they reach a 'tossing' marker - will be declared the winner of that heat.

**Rule 2:** Nobody, including another race member, is allowed to interfere with any contestant.

**Rule 3:** If a pancake falls onto the ground, or is caught in any manner other than by the contestant's frying pan, this will be deemed an unsuccessful toss, and the contestant will have to go back 1 marker and recommence that part of the race. If a pancake should become so badly damaged that it no longer resembles a single pancake, the contestant may go back to the start, load a second pancake and start the whole race again. No more than 2 pancakes will be issued to any contestant.

**Rule 4:** All pancakes will be of uniform weight and will be supplied by the organisers at the start of each race.

**Rule 5:** The judges decision is final.

I confirm that I/we have read the rules and regulations set out above and would like to take part. I/we agree that I/we will be responsible for wearing appropriate clothing and footwear, and that through this entry I/we take full responsibility for my/our own safety and the safety of those around me.

I am over 18, or the Parent/Guardian of the person named above (PLEASE DELETE AS NECESSARY). I/we agree that I/we will bring my/our own frying pan(s), and this must be no larger than 30 cms/12 inches internal diameter.
